

supper tomorrow night and wout it seem funny without Anna. I would squeeze you right tight if I had you.

You asked if grandma misses you, yes we all do.

Tillie Russum's daughter died one day this week you know who I mean don't you. Tell Maude she only imagine she will look like an old maid.

Well I am going to Halpen's for grandma hoping you are all well as we are here. Lovingly

My dear Sweetheart and Aunt Ella
Your letter received was so glad to hear you are being real good and hope you will still be gooder, Mamma is getting a little home sick for her baby but I guess you are not thinking of mamma' are you! I had Helen and Jessie for my little girl's Sunday and I cut paper dolls for them and we had a good time. I had a letter from Aunt Annie she said she saw you all Sunday.
